

Investing for Success

**Under this agreement for 2016
Rolleston State School will receive**

\$19,710

This funding will be used to

- Increase the percentage of students at or above the NAPLAN National Minimum Standard to 100% in Year 3 and Year 5 in all areas excluding students on ICP's.
- Increase the percentage of students achieving a 'C' standard or above in mathematics to 100% in 2016.
- Increase the percentage of students achieving a 'C' standard or above in English to 100% in 2016.
- Every student accessing a different year level curriculum (that is, with an Individual Curriculum Plan) will achieve a 'C' standard or better against the relevant year-level achievement standard.

Our initiatives include

- Develop, resource and implement a professional development and coaching program to support teachers in data gathering, collation, analysis and use.
- Use regular collection and analysis of data to develop individual student learning targets and goals.
- Teachers and teacher aides to work with individual students and small groups of students to achieve set learning goals.

Our school will improve student outcomes by

- Employing teacher aide hours to support students reading, writing and numeracy development at all levels (\$15,000).
- Provide professional development opportunities on the explicit teaching of reading, writing and numeracy, including working with best practice networks, communities of practice and great schools down the road (\$4710).
